SENATOR VOORHEES

will remain in this city during the recess, for Some of the papers are discussing Mexican the purpose of preparing a speech, which he intends to deliver on Mathews's silver resoluoriginal faith of society is pledged. The claim of the citizen is prior in time, paramount in title, and supreme in equity." Fol-lowing out this principle, Mr. Voorhees will apply the logic of his text in favor of the silver bill and against resumption, as he contends that demonetization of the silver dollar and the proposition to redeem securities in gold have been, and still are, depressing in-dustries and the value of property, and the highest duty of the country is to keep faith

BUTLER AND PATTERSON. Senator Butler denies that while in South torney-general during my visit to the State, I had nothing whatever to do with the judicial proceedings against Patterson. I did re-fuse to bear the charges passed against him to the United States senate, and would do the same thing again. Patterson's motive in his course toward me may have been to concilitate public opinion, but I would be an ungrateful dog not to appreciate his assistthink it was out of place to ask me to lay those charges before the senate. I will not excribe my manhood for political friends, or enemies either. There was never a shadow f bargain or agreement of any kind between

Patterson and myself, but he acted fairly toward me, and I shall treat him fairly in re-CAUSE OF THE EL PASO OUTBREAK. A gentleman living in New Mexico, now in this city, who is thoroughly acquainted with the salt pits in San Elizario, over which the are vast deposits of crude salt, probably left there by what were once salt lakes. They have long been known, and for over two hun-1875 Dec. 24 196,631 134c 1134 4,632,313 1876 Nov.24 211,823 12c 1034 4,474,069 dred years residents in the vicinity have been in the habit of going there unmolested for their supply of salt. When the territory in which these salt pits are located was received from Mexico, the United States received the among the blacks has attracted the attention of the whites. They are looking into the cause, and may attribute it to the fact that the colored people frequently refuse to allow themselves to be treated by regular practitude stitunces, preferring to take the nostrums and rely upon "the charms" of their gwn "conjure doctors." Experience does not appear to teach them the folly of this course. In spite of all the circumstances which go to prove their fatal results, they still continue to believe in the efficacy of "spells," "poison beans," and the hundred and one other humbugs that are put upon them by unscrupulous members of their own race. When these iting Arrest.
